Greetings!

Last month at the department convention they installed new officers. I would like to personally congratulate Dr Carl Moon, as the new department commander and Frank Grittner as our new sixth-district commander. It's amazing to see our Zimmerman Post represented at both the district and state levels. I appreciate all our dedicated and active members.

The Auxiliary is hosting their annual golf tournament on August 10th, let's hope for good weather. They always do a fantastic job, and this year will be no different.

Rib-fest is on Saturday August 24th. Come out for some good food and music on the patio. Rumor has it, there is a dunk tank this year... Get there early to secure your tickets, check out the booths, and have some fun.

Don't forget about your membership renewals, come up to the post and renew. As always, let's help the Auxiliary ladies and teachers with school supplies. There is a drop box up at post to take donations. I sure hope this hot, humid weather lets up a bit before we all head out to the Great Minnesota Get Together for some food-on-a-stick later this month.

God Bless. Paul McCormick, Commander

Greetings Legion Family!

Well, summer is in full swing and your Riders are actually getting some riding in.

Many of our Riders have participated in benefit rides, both Veteran affiliated as well as other benefits (cancer ride, St. Judes Hospital, etc). And we have given donations at nearly every ride our Riders have attended. We're out there representing our Post as much as we can. Our Post has also been a popular stop for other rides that are in the area. A huge thank you to Heidi and the staff for always making sure things are taken care of. We are happy to convey the many compliments our Post receives from people we meet along the way.

We have started to ramp up our planning for our events over the fall/winter times coming up. Look for updates at the Post, on our Facebook page, and on the Post website. We're looking forward to having more successful events and raising money to support Veterans and our community. In the meantime, we look forward to supporting the Auxiliary, SAL, and Post at the events they have coming up.

As always, thank you so much for the support we receive! God bless you all and God bless America.
Loren

Hello and greetings from the SAL.

I hope everyone enjoyed their July 4th celebrations and came back with all of their fingers!! I was a pretty great weekend to say the least.

Not much going on with the SAL currently. We are having guns / crossbows / ammunition being rotated in our shadow box case. Take a look and purchase a raffle ticket or 10. It's very much appreciated.

Enjoy the rest of the summer. See you next time, Paul Quinn. SAL Commander
